

## Hocking County Junior Fair

### Livestock Sale

Dear Fellow Hocking County Youth Supporter,

We are excited to share the 2025 edition of the Hocking County Fair is just around the corner and plans are to make it a fantastic fair this year. The approach of the Fair means hundreds of local youth are putting the finishing touches on their projects. For those youth with market livestock projects, it means they are preparing their animals for the Junior Fair Livestock Sale.

The Junior Fair Sale is the culmination of months, and for many youth, years of dedication and hard work. Many of these young people use the proceeds of the sale of their animals to fund their next project while also saving money for their college fund.

While many businesses and individuals plan to attend and support our youth through purchases they make during the livestock sale, we realize that not all who would like to participate will be able to attend. If you are one who fits into that category, but would still enjoy supporting our youth as they sell their livestock, please consider becoming a member of the Hocking County Junior Fair Sale Buyers Club. The Buyers Club is managed by the Hocking County Junior Fair Sale Committee along with local volunteers and is simply a group of local businesses and individuals who would like to pool their contributions in support of the youth in the Junior Fair Livestock Sale. Contributions will be accepted, in any amount, and are 100% tax deductible.

**Buyers Club** funds are used by the Sale Committee to purchase animals at the sale that may lack bidding support. The goal is to ensure that all youth earning a sale slot are rewarded for their hard work and afford another opportunity for additional buyers to participate.

To become a member of the 2025 Hocking County Junior Fair Sale Buyers Club please complete the enclosed form and submit it by August 31<sup>st</sup> along with your tax deductible contribution to the Hocking County Junior Fair Sale Buyers Club.

Thank you for considering this opportunity to support the 4-H and FFA Youth of Hocking County and investing in their future. If you have any questions, contact me at (740) 279-5814 or [hockingcountyagsociety@gmail.com](mailto:hockingcountyagsociety@gmail.com)

Sincerely,

Caleb Conrad
